**RENEWED PETITION UNDER 37 C.F.R. § 1.181 (PETITION FOR NEW
NOTIFICATION OF MISSING REQUIREMENTS AND WITHDRAWAL OF
HOLDING OF ABANDONMENT PURSUANT TO 37 C.F.R. § 1.181(NO FEE))**

ATTN: PCT LEGAL OFFICE

Sir:

This paper is in response to the PCT Legal Examiner's decision mailed March 25, 2003, denying Applicant's petition on the ground that "a copy of the docket record where the non-received Office Action would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement".

On February 27, 2002, the USPTO allegedly mailed a Notification of Missing Requirements (Form PCT/DO/EO/905) indicating, *inter alia*, that an oath or declaration in compliance with 37 C.F.R. § 1.497(a)-(b) was required. A Response to the Notification of

U.S. Application No. 10/030,541

Missing Requirements, therefore, would have been due in the U.S. Patent and Trademark Office on April 27, 2002.

Attached is a copy of the docket record for April 27-April 29 (since April 27 was on a Saturday, the undersigned is attaching a complete docket for Saturday, Sunday and Monday), where the date for response to the Notification of Missing Requirements would have been docketed.

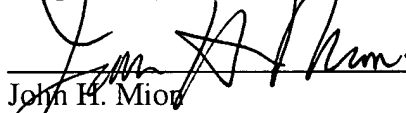

I have reviewed the file jacket (copy attached) for this application and the enclosed copy of the docket record mentioned above, and both the file jacket and the docket indicate that the Notification of Missing Requirements due April 27, 2002, was never received by the undersigned. (The PCT Legal Examiner(s) will recall that the alleged mail date occurred during the well-publicized "Anthrax scare" which closed the Brentwood mail facility, with the result that the undersigned attorney's office never received many PTO letters or received them several months later (some in an extremely mutilated condition.)

The undersigned attorney respectfully requests that this additional information be considered, the abandonment be withdrawn and a new Notification of Missing Requirements be

issued. **N.B.** If for any reason this Renewed Petition is deficient, it is requested that a PCT Legal Examiner call the undersigned attorney so that the disposition of the Petition can be expedited. The original Petition was filed on November 1, 2003 and the "Notification" still has not been received.

Respectfully submitted,

John H. Mion
